

# alum

## ficha técnica

## datasheet

4500002

Ø75 mm

|                                               |                     |
|-----------------------------------------------|---------------------|
| Nombre / Name                                 | Serie Alum Redondo  |
| Referencia / Reference                        | 4500002             |
| Materiales / Materials                        | Aluminio / Aluminio |
| Difusor / Diffuser                            | -                   |
| Potencia / Power                              | -                   |
| Temperatura de color / Color temperature      | -                   |
| Flujo luminoso / Luminous flux                | -                   |
| Dimable / Dimmable                            | -                   |
| Ángulo de apertura / Beam angle               | -                   |
| Ángulo de inclinación / Inclination angle     | 25°                 |
| IP                                            | IP20                |
| IK                                            | -                   |
| F.P                                           | -                   |
| UGR                                           | -                   |
| IRC                                           | -                   |
| Chip                                          | -                   |
| Driver                                        | -                   |
| Vida media ( duración ) / Average life        | -                   |
| Clase energética / Energy class               | -                   |
| Aislamiento eléctrico / Electrical isolation  | -                   |
| Colores / Colors                              | Aluminio / Aluminio |
| Medida exterior / Product size                | Ø90 mm              |
| Medidas de corte / Cutting measurements       | Ø75 mm              |
| Tª (ambiente/trabajo) / Tª (environment/work) | -                   |
| Input                                         | -                   |
| Output                                        | -                   |
| Frecuencia / Frequency                        | -                   |
| Peso / Weight                                 | 70grs               |
| Certificados / Certificates                   | CE RoHS             |
| Garantía / Warranty                           | 2 años / 2 years    |
