

# set sky

## ficha técnica

### datasheet

ref. 5551503

|                                               |                                   |
|-----------------------------------------------|-----------------------------------|
| Nombre / Name                                 | Set sky 4pcs                      |
| Referencia / Reference                        | 5551503                           |
| Materiales / Materials                        | Aluminio + PMMA / Aluminum + PMMA |
| Difusor / Diffuser                            | PMMA                              |
| Potencia / Power                              | 4x48W                             |
| Temperatura de color / Color temperature      | 4200K                             |
| Flujo luminoso / Luminous flux                | 4x2300lm                          |
| Dimable / Dimmable                            | Opcional, consultar / Consult us  |
| Ángulo de apertura / Beam angle               | 120°                              |
| Ángulo de detección / Detection angle         | -                                 |
| IP                                            | 40                                |
| IK                                            | 07                                |
| F.P                                           | >0.9                              |
| UGR                                           | ≤19                               |
| IRC                                           | >80                               |
| Chip                                          | EPISTAR 4014                      |
| Driver                                        | 4x i-TEC series                   |
| Vida media (duración) / Average life          | ± 30.000h                         |
| Clase energética / Energy class               | A+                                |
| Aislamiento eléctrico / Electrical isolation  | Clase I / Class I                 |
| Colores / Colors                              | Blanco / White                    |
| Medida exterior / Product size                | 4x 594mm x 594mm x 11mm           |
| Medidas de corte / Cutting measurements       | 584mm x 584mm                     |
| Tª (ambiente/trabajo) / Tª (environment/work) | -10°C ~ 45°C                      |
| Input                                         | AC110 ~ 249V                      |
| Output                                        | DC27 ~ 42V 1200mA ±5%             |
| Frecuencia / Frequency                        | 50 / 60Hz                         |
| Peso / Weight                                 | 7,60kg                            |
| Certificados / Certificates                   | CE RoHS                           |
| Garantía / Warranty                           | 2 años / 2 years                  |
