

# accesorio empotrar techo ficha técnica datasheet

ref. 5550577

|                                                  |                                           |
|--------------------------------------------------|-------------------------------------------|
| Nombre / Name                                    | Accesorio empotrar pared, emergencia IGNI |
| Referencia / Reference                           | 5550577                                   |
| Materiales / Materials                           | ABS + acero pinzas / ABS + steel chips    |
| Difusor / Diffuser                               | -                                         |
| Potencia / Power                                 | -                                         |
| Temperatura de color / Color temperature         | -                                         |
| Flujo luminoso / Luminous flux                   | -                                         |
| Dimable / Dimmable                               | -                                         |
| Ángulo de apertura / Beam angle                  | -                                         |
| Ángulo de detección / Detection angle            | -                                         |
| IP                                               | 20                                        |
| IK                                               | -                                         |
| F.P                                              | -                                         |
| UGR                                              | -                                         |
| IRC                                              | -                                         |
| Chip                                             | -                                         |
| Driver                                           | -                                         |
| Vida media ( duración ) / Average life           | -                                         |
| Clase energética / Energy class                  | -                                         |
| Aislamiento eléctrico / Electrical isolation     | -                                         |
| Colores / Colors                                 | Blanco / White                            |
| Medida exterior / Product size                   | 263mm x 105mm x 34mm                      |
| Medidas de corte / Cutting measurements          | 245mm x 85mm                              |
| Tª ( ambiente/trabajo ) / Tª ( enviroment/work ) | -                                         |
| Input                                            | -                                         |
| Output                                           | -                                         |
| Frecuencia / Frequency                           | -                                         |
| Peso / Weight                                    | 40g                                       |
| Certificados / Certificates                      | CE RoHS                                   |
| Garantia / Warranty                              | -                                         |
