

# Pinza D-360

## ficha técnica

### datasheet

ref. 5551141

|   |                                     |
|---|-------------------------------------|
| Nombre / Name                                     | Pinza D-360                         |
| Referencia / Reference                            | 5551141                             |
| Materiales / Materials                            | Metal + aluminio / Metal + aluminum |
| Difusor / Diffuser                                | -                                   |
| Potencia / Power                                  | -                                   |
| Temperatura de color / Color temperature          | -                                   |
| Flujo luminoso / Luminous flux                    | -                                   |
| Dimable / Dimmable                                | -                                   |
| Ángulo de apertura / Beam angle                   | -                                   |
| Ángulo de inclinación / Inclination angle         | -                                   |
| IP  | -                                   |
| IK  | -                                   |
| F.P   | -                                   |
| UGR   | -                                   |
| IRC   | -                                   |
| Chip  | -                                   |
| Driver  | -                                   |
| Vida media ( duración ) / Average life            | -                                   |
| Clase energética / Energy class                   | -                                   |
| Aislamiento eléctrico / Electrical isolation      | -                                   |
| Colores / Colors                                  | Aluminio / Aluminum                 |
| Medida exterior / Product size                    | 30mm x 50mm x 18mm x 13mm           |
| Medidas de corte / Cutting measurements           | -                                   |
| Tª ( ambiente/trabajo ) / Tª ( environment/work ) | -                                   |
| Input   | -                                   |
| Output  | -                                   |
| Frecuencia / Frequency                            | -                                   |
| Peso / Weight                                     | 9,70grs                             |
| Certificados / Certificates                       | -                                   |
| Garantía / Warranty                               | 2 años / 2 years                    |
