

# accesorio panel ficha técnica datasheet

ref. 5551347

|                                               |                               |
|-----------------------------------------------|-------------------------------|
| Nombre / Name                                 | Accesorio panel para Track.25 |
| Referencia / Reference                        | 5551347                       |
| Materiales / Materials                        | Aluminio / Aluminum           |
| Difusor / Diffuser                            | -                             |
| Potencia / Power                              | -                             |
| Temperatura de color / Color temperature      | -                             |
| Flujo luminoso / Luminous flux                | -                             |
| Dimable / Dimmable                            | -                             |
| Base                                          | -                             |
| Ángulo de inclinación / Inclination angle     | -                             |
| IP                                            | -                             |
| IK                                            | -                             |
| F.P.                                          | ≤16                           |
| UGR                                           | -                             |
| IRC                                           | -                             |
| Chip                                          | -                             |
| Driver                                        | -                             |
| Vida media ( duración ) / Average life        | -                             |
| Clase energética / Energy class               | -                             |
| Aislamiento eléctrico / Electrical isolation  | -                             |
| Colores / Colors                              | Negro / Black                 |
| Medida exterior / Product size                | Ø55mm x 3mm                   |
| Medidas de corte / Cutting measurements       | -                             |
| Tª (ambiente/trabajo) / Tª (environment/work) | -                             |
| Input                                         | -                             |
| Output                                        | -                             |
| Frecuencia / Frequency                        | -                             |
| Peso / Weight                                 | 1,4g                          |
| Certificados / Certificates                   | CE                            |
| Garantía / Warranty                           | 2 años / 2 years              |
