

# marco panel led

## ficha técnica

### datasheet

ref. 5551370

|   |                      |
|---|----------------------|
| Nombre / Name                                     | Marco para panel led |
| Referencia / Reference                            | 5551370              |
| Materiales / Materials                            | Aluminio / aluminum  |
| Difusor / Diffuser                                | -                    |
| Potencia / Power                                  | -                    |
| Temperatura de color / Color temperature          | -                    |
| Flujo luminoso / Luminous flux                    | -                    |
| Dimable / Dimmable                                | -                    |
| Ángulo de apertura / Beam angle                   | -                    |
| Ángulo de inclinación / Inclination angle         | -                    |
| IP  | -                    |
| IK  | -                    |
| F.P   | -                    |
| UGR   | -                    |
| IRC   | -                    |
| Chip  | -                    |
| Driver  | -                    |
| Vida media ( duración ) / Average life            | -                    |
| Clase energética / Energy class                   | -                    |
| Aislamiento eléctrico / Electrical isolation      | -                    |
| Colores / Colors                                  | Blanco / White       |
| Medida exterior / Product size                    | 600mm x 600mm x 50mm |
| Medidas de corte / Cutting measurements           | -                    |
| Tª ( ambiente/trabajo ) / Tª ( environment/work ) | -                    |
| Input   | -                    |
| Output  | -                    |
| Frecuencia / Frequency                            | -                    |
| Peso / Weight                                     | -                    |
| Certificados / Certificates                       | -                    |
| Garantía / Warranty                               | -                    |
