

# alum 1L

## ficha técnica

### datasheet

5551607

|                                               |                          |
|-----------------------------------------------|--------------------------|
| Nombre / Name                                 | Serie Alum Cuadrado      |
| Referencia / Reference                        | 5551607                  |
| Materiales / Materials                        | Aluminio / Aluminum      |
| Difusor / Diffuser                            | -                        |
| Potencia / Power                              | -                        |
| Temperatura de color / Color temperature      | -                        |
| Flujo luminoso / Luminous flux                | -                        |
| Dimable / Dimmable                            | -                        |
| Ángulo de apertura / Beam angle               | -                        |
| Ángulo de inclinación / Inclination angle     | 25°                      |
| IP                                            | IP20                     |
| IK                                            | -                        |
| F.P                                           | -                        |
| UGR                                           | -                        |
| IRC                                           | -                        |
| Chip                                          | -                        |
| Driver                                        | -                        |
| Vida media ( duración ) / Average life        | -                        |
| Clase energética / Energy class               | -                        |
| Aislamiento eléctrico / Electrical isolation  | -                        |
| Colores / Colors                              | Negro mate / Matte black |
| Medida exterior / Product size                | 91mm x 91mm x 25mm       |
| Medidas de corte / Cutting measurements       | Ø 75 mm                  |
| Tª (ambiente/trabajo) / Tª (environment/work) | -                        |
| Input                                         | -                        |
| Output                                        | -                        |
| Frecuencia / Frequency                        | -                        |
| Peso / Weight                                 | 70grs                    |
| Certificados / Certificates                   | CE RoHS                  |
| Garantía / Warranty                           | 2 años / 2 years         |
