

# office-track

## ficha técnica

### datasheet

ref. 5551971

|                                                     |                                     |
|-----------------------------------------------------|-------------------------------------|
| Nombre / Name                                       | office-track • luminaria lineal led |
| Referencia / Reference                              | 5551971                             |
| Materiales / Materials                              | Aluminio / Aluminum                 |
| Difusor / Diffuser                                  | PC                                  |
| Potencia / Power                                    | 60W                                 |
| Temperatura de color / Color temperature            | 4000K                               |
| Flujo luminoso / Luminous flux                      | 7039lm                              |
| Dimable / Dimmable                                  | No                                  |
| Ángulo de apertura / Beam angle                     | 97°                                 |
| Ángulo de inclinación / Inclination angle           | -                                   |
| IP                                                  | 20                                  |
| I.K.                                                | 07                                  |
| F.P                                                 | >0,95                               |
| UGR                                                 | >22                                 |
| IRC                                                 | >80                                 |
| Chip                                                | OSRAM 2835                          |
| Driver                                              | Lifud non-flicker                   |
| Vida media ( duración ) / Average life              | 50,000h                             |
| Clase energética / Energy class                     | F                                   |
| Aislamiento eléctrico / Electrical isolation        | Clase II / Class II                 |
| Colores / Colors                                    | Negro / Black                       |
| Medida exterior / Product size                      | 1480mm x 28mm x 68mm                |
| Protección contra Sobretensiones / surge protection | 1,5kV                               |
| Tª ( ambiente/trabajo ) / Tª ( enviroment/work )    | -25°C~45°C                          |
| Input                                               | AC180~260V                          |
| Output                                              | DC80~200V                           |
| Frecuencia / Frequency                              | 50/60Hz                             |
| Peso / Weight                                       | 1,6kg                               |
| Certificados / Certificates                         | CE&RoHS                             |
| Garantia / Warranty                                 | 2 años / 2 years                    |
