

# track.07

## proyector led

### ficha técnica

### datasheet

ref. 5550603

|                                              |                                      |
|----------------------------------------------|--------------------------------------|
| Nombre / Name                                | Track. 07                            |
| Referencia / Reference                       | 55506034                             |
| Materiales / Materials                       | Aluminio / Aluminum                  |
| Difusor / Diffuser                           | PMMA                                 |
| Potencia / Power                             | 30W                                  |
| Temperatura de color / Color temperature     | 4000K                                |
| Flujo luminoso / Luminous flux               | 2600 lm                              |
| Dimable / Dimmable                           | -                                    |
| Ángulo de apertura / Beam angle              | 45°                                  |
| Ángulo de inclinación / Inclination angle    | 355° x 90°                           |
| IP                                           | IP20                                 |
| IK                                           | -                                    |
| F.P                                          | >0.9                                 |
| UGR                                          | <19                                  |
| IRC                                          | <90                                  |
| Chip                                         | OSRAM                                |
| Driver                                       | OSRAM SERIES                         |
| Vida media ( duración ) / Average life       | ± 50.000 h                           |
| Clase energética / Energy class              | A++                                  |
| Aislamiento eléctrico / Electrical isolation | Clase II                             |
| Colores / Colors                             | Negro / Black                        |
| Medida exterior / Product size               | 100mm x 145mm x 50mm x 135mm x Ø95mm |
| Medidas de corte / Cutting measurements      | -                                    |
| Tª (ambiente/trabajo) / Tª (enviroment/work) | -20°~ 40°C                           |
| Input                                        | AC 220~240V                          |
| Output                                       | DC 36~42V                            |
| Frecuencia / Frequency                       | 50 / 60Hz                            |
| Peso / Weight                                | 1,08 Kg                              |
| Certificados / Certificates                  | CE & RoHS                            |
| Garantia / Warranty                          | 2 años                               |
